Dear Mr. Lasch,

On behalf of Loudoun County Special Olympics, we would like to sincerely thank you for your generous donation. Our program has grown an incredible amount this past year. We have added multiple sessions to our golf program; have a record number of bowlers, soccer and volleyball athletes and equestrian riders.

Your support is greatly appreciated and gives us the opportunity to continue to grow and support our athletes. Thanks to you, we will be able to outfit our athletes with new uniforms and equipment. We will be able to send more athletes to state competitions and give them that experience of a lifetime.

Again, thank you for your contributions and hopefully we can continue our relationship as the Special Olympics Program grows in Loudoun County.

Sincerely,

Caitlin Marcotte
